## Frequency In Hertz

60 Hz      100,000 KHz      1 Million mHz      1 Billion GHz      300 Billion GHz      3 Trillion THz      36 Quadrillion THz      4 Quintrillion EHz

DC      ELF VLF      Radio Frequency RF      Microwave      Light      Radio Activity

Non Ionizing Radiation

Ionizing Radiation

Electricity      Dirty Electricity      AM Radio      FM Radio      TV      Cell Phones      Wi-Fi      Microwaves      IR Visible UV Light      X-Rays      Gamma Cosmic
